

SOFTWARE END-USER LICENSE AGREEMENT

This Software End-User License Agreement (the "License Agreement") is being entered into by and between BG2LZ, LLC (the "Licensor") and you, the end-user ("You")(Licensor and You are sometimes individually referred to herein as a "Party" and collectively as the "Parties"). This License Agreement sets forth the terms under which You shall be permitted to use Licensor's proprietary software products (together with any documentation relating thereto, the "Software"). You are required to execute this License Agreement prior to Your use of the Software.

THE SOFTWARE IS THE PROPERTY OF LICENSOR AND IS PROTECTED BY COPYRIGHT LAWS, TRADE SECRET LAWS AND INTERNATIONAL TREATIES. YOUR RIGHT TO USE THE SOFTWARE IS GOVERNED IN ALL RESPECTS BY THIS LICENSE AGREEMENT.

THIS LICENSE AGREEMENT IS A LEGAL CONTRACT BETWEEN YOU (THE END USER) AND LICENSOR GOVERNING YOUR USE OF THE SOFTWARE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE AGREEMENT, DO NOT ACCEPT IT AND PROMPTLY RETURN THE SOFTWARE AND ANY PRODUCTS OF WHICH THE SOFTWARE IS A PART OR WITH WHICH THE SOFTWARE IS BUNDLED TO DISTRIBUTOR.

1. LICENSE GRANT.

A. Licensor hereby grants You a nonexclusive, limited, right to use the Software solely as part of Your use of the website **bg2lz.com** (the "Site"), subject to the terms and conditions of this License Agreement.

B. You may not sublicense, lend, rent, lease or otherwise make the Software available to third parties, and any such transfer or attempted transfer of the Software shall terminate Your license to use the Software. Any permitted assignee or transferee of the Products may only use the Software pursuant to the terms of this License Agreement. You may not allow or cause any other person to either use the Software or log in to the Site under your username. You may not export or re-export the Software without first obtaining the appropriate U.S. government and foreign government authorizations to do so.

C. You may not: (i) decompile, disassemble or reverse engineer the Software, (ii) make any changes, modification or derivative works to the Software, (iii) copy, transfer, or otherwise use the Software except as part of the Products and as stated in this License Agreement. Use of the Software in conjunction with any non-Licensor product which decompiles or recompiles the Software or in any way creates a derivative or modified copy of the Software is not an authorized use, voids this license and automatically terminates Your right to use the Software.

D. The license granted by this License Agreement may be terminated immediately by Licensor if (i) you breach any of the terms of this License Agreement, or (ii) if you are in breach of any payment obligations to Licensor, or (iii) if you are in breach of the Terms and Conditions set forth on the Site. In the event of such a termination, You agree to stop all use of the Software and to return to Licensor or certify to the destruction of all copies of the Software in Your possession.

2. PROPRIETARY RIGHTS.

A. Except for the limited license granted herein, Licensor shall at all times retain full right, title and ownership interest in and to the Software, including, without limitation, all patent, trademark, copyright, proprietary rights and trade secret rights relating thereto. You agree not to remove, alter or destroy any proprietary markings or legends that have been placed on or in the Software or any related documentation.

B. You agree that no title to the Software (or its source code), or the intellectual property in the Software, or in any Software copy, is transferred to You under this License Agreement, and all the rights not expressly granted to the You hereunder are reserved by Licensor. The Software is confidential and proprietary to Licensor and You shall hold the Software in strict confidence. You will not use any information, in tangible or intangible form, which has been or may be disclosed to You under or in connection with this License Agreement for the purpose of creating or duplicating or attempting to create or duplicate the Software or the source code thereto. You agree to secure and protect the Software in a manner consistent with the protection of Your own confidential information, including, but not limited to, taking appropriate action through instructions or agreement with Your employees, agents, or consultants who have access to the Software in order to satisfy Your obligations hereunder.

3. **DERIVATIVE WORKS.** In the event that, notwithstanding any terms hereof that restrict your right to make changes to the Software and other restrictions set forth herein, You create any inventions, know-how, trade secrets, formulas, technical processes and information, manufacturing and testing techniques and procedures, operating procedures, all other intellectual and other property, data, techniques and procedures, engineering data and plans, and all other business data and information related to the Software, including any and all patents, patent applications, inventions and discoveries that may be patentable, registered and unregistered copyrights in both published works and unpublished works, and know-how, trade secrets, confidential or proprietary information included therein or related thereto (collectively, the "Derivative Works"), it is agreed that any and all such Derivative Works and all rights therein shall be the sole and exclusive property of the Licensor from the moment of creation.

4. LIMITED WARRANTY/LIMITATION OF REMEDIES.

LICENSOR MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. IN NO EVENT WILL LICENSOR BE LIABLE TO YOU FOR ANY LOST PROFITS, LOST SAVINGS, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF YOUR USE OF OR INABILITY TO USE THE SOFTWARE OR THE PRODUCTS OR ARISING FROM ANY OTHER CAUSE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

5. **GENERAL.** If any provision of this License Agreement shall be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from this License Agreement and shall not affect the validity and enforceability of the remaining provisions of this License Agreement. This License Agreement is governed by the substantive laws of the Commonwealth of Virginia without regard to its rules governing conflicts of laws. Any controversy, claim or dispute arising under or relating to this Agreement shall be resolved by arbitration in accordance with the then existing rules of the American Arbitration Association and any such arbitration shall be conducted in the Commonwealth of Virginia. Any assignment of this License Agreement by You without the prior written consent of Licensor shall be null and

void. This License Agreement constitutes the entire agreement between You and Licensor with regard to Your use of the Software, and supersedes all previous communications, whether written or oral, between the parties with respect to Your use of the Software. No waiver or modification of any of the provisions hereof shall be binding unless in writing and signed by duly authorized representatives of both You and Licensor. In the event of any conflict between the terms of this License Agreement and the Terms and Conditions set forth on the Site, this License Agreement shall control.

6. SURVIVAL. In the event of any expiration or termination of this License Agreement, all rights and obligations of the Parties hereto shall cease except for the rights and obligations set forth in this Section and Sections 1.B, 1.C, 1.D, 2, 3, 4 and 5 all of which shall survive and remain in full force and effect indefinitely or in accordance with the terms thereof.

7. WAIVER. The performance of or compliance with a Party's obligation hereunder may be waived, but only in writing signed by an authorized representative of the applicable counterparty or counterparties. A waiver of compliance with any provision of this License Agreement shall not constitute a waiver of any subsequent lack of compliance with such provision or of any other provision of this License Agreement. Except as provided in this License Agreement, no delay or failure on the part of either Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of either Party of any such right, power or privilege, nor any single or partial exercise thereof, preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

8. FURTHER ASSURANCES. The Parties hereto shall do and perform or cause to be done and performed all such further acts and things and shall execute and deliver all such other documents as any other Party may reasonably request from time to time in order to carry out the intent and purpose of this License Agreement contemplated hereby. No Party shall voluntarily undertake any course of action inconsistent with satisfaction of the requirements applicable to them set forth in this License Agreement and each shall promptly do all such acts and take all such measures as may be appropriate to enable them to perform as early as practicable the obligations herein required to be performed by them.

9. ENTIRE AGREEMENT. This License Agreement is intended by the Parties as a final expression of their agreement and as a complete and exclusive statement of the terms of their agreement with respect to its subject matter. This License Agreement may not be contradicted by evidence of any prior or contemporaneous agreement, oral or written, and this License Agreement may not be explained or supplemented by evidence of consistent additional terms. No previous course of dealing will be admissible to explain, modify or contradict the terms of this License Agreement. This License Agreement supersedes, merges, and voids all prior representations, statements, negotiations, understandings, proposed agreements, and other agreements, written or oral, relating to its subject matter.

10. AMENDMENTS. This License Agreement may not be amended, modified or supplemented except by the prior written consent of both You and the Licensor.
